## **Rookie Weekend**

### **413-644-0077**

Welcome to Kutsher's Sports Academy. We look forward to providing your child with a wonderful camp experience! Please feel free to call us with any concerns.

REQUIRED FORM: Medical & Health History Form - 6 pages

Please do not give your child any money as it will not be required. We cannot be responsible for lost or stolen items or money.

#### **FREQUENTLY ASKED QUESTIONS**

What about Cell Phones, IPODS and Laptop Computers? Cell phones are not allowed at camp. There is no reception on campus. Cell phones will be confiscated and kept in the office safe until the end of camp. Due to the value of IPODS and laptops, we do not recommend bringing them to camp. If they are lost or stolen, we cannot be responsible.

May I bring food and snacks for my child? Unfortunately food attracts insects and critters. **Therefore NO FOOD will be allowed in the bunks.** Bottled water only is acceptable. **KSA is "peanut free"**.

What is the ratio of boys to girls and are boys and girls allowed to socialize? We generally register 1-1/2 boys to every girl. Boys and girls, along with our staff and counselors, dine together at all meals and interact on the sport fields.

For the protection of your child and other campers and staff, any and all medications (prescription and over-the-counter) must be kept in the Health Center and administered by our medical staff.

Please bring all medications directly to the Health Center upon arrival. Please do NOT let your child hand-carry any medications to camp... children often forget. Absolutely no medications of any kind (prescription or over-the-counter) will be allowed in the bunks. Any and all medications must be administered by our healthcare professionals.

Please remember to pick up any remaining medications when leaving camp.

#### **MEDICAL INFORMATION AND CONSENT FORMS**

Campers will not be permitted on campus without this completed form.

The medical form can be printed from our website at [www.kutsherssportsacademy.com](http://www.kutsherssportsacademy.com). Click on "dates, rates & forms" to find the medical form.

The medical form must be turned in to the office prior to your child's arrival. Make sure all items are answered and that the forms are signed where indicated. A parent/guardian and physician's signature is required.

If your doctor wishes to use his/her own examination form, that's acceptable.

The regional hospital and physicians advise us that they will not treat a patient without this signed form in their possession. We, of course, will advise you immediately should any medical treatment be necessary.

**MEDICAL FORM MUST BE PROVIDED TO KUTSHER'S SPORTS ACADEMY PRIOR TO YOUR CHILD'S ARRIVAL SO THAT OUR MEDICAL STAFF MAY REVIEW IT AND NOTE ANY SPECIAL CONCERNS.**

#### **CAMP FOOD**

We offer three tasty and nutritious meals to campers every day. For this reason, food will not be allowed in the bunks. Bottled water is acceptable. In the dining room, campers have the option of choosing Kosher or non-Kosher meals. Please advise the front office if your child observes strict Kosher so we may plan his/her meals accordingly.

#### **SPORTS EQUIPMENT**

We have a limited supply of sports equipment such as baseball mitts, lacrosse sticks, golf clubs, tennis racquets, etc. We recommend that campers bring their own sports equipment for sports they know they will be scheduling. Please be sure to mark each item with your camper's name using a permanent marker.

#### **CAMP RULES**

**NO FOOD IN THE BUNKS - Unflavored bottled water/drinks are acceptable.  
Food items WILL BE confiscated.**

The rules below must be read by you and discussed with your camper. The penalty for violation of these rules is immediate expulsion from camp without a refund of any part of the tuition.
